

**JIMMY RASKIN**  
***STATIONS OF THE LAST ECCENTRIC***

**Short video screening and performance**

**Friday, January 21, 7PM**  
36 Orchard Street

*Very limited capacity*

"Jimmy Raskin is an aberrant poet who reveals himself on rare and vital occasions [...] Thankfully for us, Raskin has emerged from the soil once again with *Stations of the Last Eccentric*, a presentation that attempts to describe a metaphysical state in which an artist's desire to create has evaporated into absolute fulfillment, an experience that, per Raskin, is 'filled to the brim with inspiration, but no desire to act upon it.'"

– Gabriel H. Sanchez, [Artforum](#)
